

# HAPC Report NoFLAC Meeting

**1/18/2017**

## **RW Part B Clients Served (4/1/16 – 12/31/16):**

Lutheran Services - 233

Sacred Heart Hospital – 182

OASIS – 209

Total: **624** clients served to date per CW

## **ADAP:**

**173** active clients in Escambia. **90** receive meds via direct dispense and **83** have insurance (Medicare Part D, employer sponsored and HC Marketplace).

MarketPlace open enrollment continues through 1/31/17. Eligibility for MarketPlace insurance was extended to clients with income levels between 100% - 400% FPL.

**PAC** – 55 clients enrolled with 2 case managers on staff.

- Thank you to all the case managers for getting the word out about our Priorities and Allocations meeting held November 10<sup>th</sup>. We had the most clients attend ever with a 65% client participation rate (19 out of 29 attendees). And a big “Thank you!” to the clients who took time out of their day attend.
- Statewide anonymous Needs Assessment extended through January 23<sup>rd</sup>. Please encourage your clients to complete either a paper form (it’s only 3 pages) or online. A banner with the link can be found on [www.noflacweb.org](http://www.noflacweb.org).
- The ADAP/Hep C project for ADAP clients who are co-infected with Hep C is still going on. Please contact your local ADAP staff person for more information.
- Laura Reeves is now the official Administrator for the HIV/AIDS Section office.
- Zim Overstreet is our new contract manager and started today. You will be meeting her very soon!
